RE: Compliance of Battery Directive 2006/66/EC

Jan. 1, 2018

We hereby certify that our all products, Li/SOCI2 Batteries, including tinned terminals, meet Directive 2006/66/EC of the European Parliament and of the Council of 6 September 2006 on Waste Electrical and Electronic Equipment (WEEE), batteries and waste batteries and repealing Directive 91/157/EEC and other related directives.

Our product does not contain any harmful materials shown in the candidate list table of REACH 18/06/12. Also, it does not have any hazardous substances such as CFC, PCB, mercury and cadmium in RoHS requirement. It was proven by SGS Testing Korea Co., Ltd. Also, our product has the symbol with separate collection (with crossed-out wheeled bin) on our package for the right disposal of waste batteries.

Best regards,

XENOENERGY CO.,LTD.
